To Whom It May Concern:

The Oregon State Rehabilitation Council wishes to express our deep concern regarding the possible confirmation of Jeffrey Sutton to the 6th Circuit Court of Appeals.

The Oregon State Rehabilitation Council, as well as many other advocacy groups, is concerned because of Mr. Sutton's record on disability rights such as enforcement of the ADA.

The disability community believes it is crucial to leave the ADA intact and that nothing should be done to weaken the law that allows the playing field to be equal for persons with disabilities.

Respectfully,
