The Honorable Clay Johnson
Director, Presidential Personnel
The White House
1600 Pennsylvania Ave., NW
Washington, D.C. 20500

Dear Mr. Johnson,

On behalf of the National Troopers Coalition, I am writing to advise you of our support and endorsement of Karen P. Tandy for the position of Administrator of the Drug Enforcement Administration.

Associate Deputy Attorney General Karen P. Tandy currently serves as the Director of the Organized Crime Drug Enforcement Task Force. Ms. Tandy has over twenty-five years of experience of prosecuting drug and money laundering cases that involve interaction with state troopers and highway patrolmen. This cooperative relationship is critically important to law enforcement efforts to tear down major drug and terrorist networks that threaten the stability of our great nation.

Ms. Tandy's professional accomplishments, education, and experience within the law enforcement community, her interaction with Congress and the Office of Management and Budget for the Department of Justice attest to her personal drive and success.

Ms. Karen P. Tandy is outstanding candidate to support the Bush Administrations efforts in thwarting the continued threat of terrorism and the narcotics enigma as the Administrator of the Drug Enforcement Administration. I would appreciate any consideration my endorsement might be given and thank you and your staff who will make this selection for your thoughtful appraisal of her candidacy.

Sincerely,

Scott Reinacher, Chairman
