110 STAT.

by the Department of State under the Foreign Service Act of 1980: *Provided further*, That the limitations of this provision shall not apply to foreign national employees of the Department of Defense in the Republic of Turkey.

SEC. 8003. No part of any appropriation contained in this Act shall remain available for obligation beyond the current fiscal year, unless expressly so provided herein.

SEC. 8004. No more than 20 per centum of the appropriations in this Act which are limited for obligation during the current fiscal year shall be obligated during the last two months of the fiscal year: *Provided*, That this section shall not apply to obligations for support of active duty training of reserve components or summer camp training of the Reserve Officers' Training Corps.

(TRANSFER OF FUNDS)

SEC. 8005. Upon determination by the Secretary of Defense that such action is necessary in the national interest, he may, with the approval of the Office of Management and Budget, transfer not to exceed \$2,000,000,000 of working capital funds of the Department of Defense or funds made available in this Act to the Department of Defense for military functions (except military construction) between such appropriations or funds or any subdivision thereof, to be merged with and to be available for the same purposes, and for the same time period, as the appropriation or fund to which transferred: *Provided*, That such authority to transfer may not be used unless for higher priority items, based on unforeseen military requirements, than those for which originally appropriated and in no case where the item for which funds are requested has been denied by Congress: *Provided further*, That the Secretary of Defense shall notify the Congress promptly of all transfers made pursuant to this authority or any other authority in this Act: *Provided further*, That no part of the funds in this Act shall be available to prepare or present a request to the Committees on Appropriations for reprogramming of funds, unless for higher priority items, based on unforeseen military requirements, than those for which originally appropriated and in no case where the item for which reprogramming is requested has been denied by the Congress.

\$2,000,000,000
(transfer
authority)

(TRANSFER OF FUNDS)

SEC. 8006. During the current fiscal year, cash balances in working capital funds of the Department of Defense established pursuant to section 2208 of title 10, United States Code, may be maintained in only such amounts as are necessary at any time for cash disbursements to be made from such funds: *Provided*, That transfers may be made between such funds and the "Foreign Currency Fluctuations, Defense" and "Operation and Maintenance" appropriation accounts in such amounts as may be determined by the Secretary of Defense, with the approval of the Office of Management and Budget, except that such transfers may not be made unless the Secretary of Defense has notified the Congress of the proposed transfer. Except in amounts equal to the amounts appropriated to working capital funds in this Act, no obligations may be made against a working capital fund to procure or increase the value of war reserve material inventory, unless the Secretary of Defense has notified the Congress prior to any such obligation.

SEC. 8007. Funds appropriated by this Act may not be used to initiate a special access program without prior notification 30 calendar days in session in advance to the congressional defense committees.

SEC. 8008. None of the funds contained in this Act available for the Civilian Health and Medical Program of the Uniformed Services shall be available for payments to physicians and other non-institutional health care providers in excess of the amounts allowed in fiscal year 1996 for similar services, except that: (a) for services for which the Secretary of Defense determines an increase is justified by economic circumstances, the allowable amounts may be increased in accordance with appropriate economic index data similar to that used pursuant to title XVIII of the Social Security Act; and (b) for services the Secretary determines are overpriced based on allowable payments under title XVIII of the Social Security Act, the allowable amounts shall be reduced by not more than 15 percent (except that the reduction may be waived if the Secretary determines that it would impair adequate access to health care services for beneficiaries). The Secretary shall solicit public comment prior to promulgating regulations to implement this section. Such regulations shall include a limitation, similar to that used under title XVIII of the Social Security Act, on the extent to which a provider may bill a beneficiary an actual charge in excess of the allowable amount.

SEC. 8009. None of the funds provided in this Act shall be available to initiate (1) a multiyear contract that employs economic order quantity procurement in excess of \$20,000,000 in any one year of the contract or that includes an unfunded contingent liability in excess of \$20,000,000, or (2) a contract for advance procurement leading to a multiyear contract that employs economic order quantity procurement in excess of \$20,000,000 in any one year, unless the congressional defense committees have been notified at least thirty days in advance of the proposed contract award: *Provided*, That no part of any appropriation contained in this Act shall be available to initiate a multiyear contract for which the economic order quantity advance procurement is not funded at least to the limits of the Government's liability: *Provided further*, That no part of any appropriation contained in this Act shall be available to initiate multiyear procurement contracts for any systems or component thereof if the value of the multiyear contract would exceed \$500,000,000 unless specifically provided in this Act: *Provided further*, That no multiyear procurement contract can be terminated without 10-day prior notification to the congressional defense committees: *Provided further*, That the execution of multiyear authority shall require the use of a present value analysis to determine lowest cost compared to an annual procurement: *Provided further*, That notwithstanding Section 8010 of Public Law 104-61, funds appropriated for the DDG-51 destroyer program in Public Law 104-61 may be used to initiate a multiyear contract for the Arleigh Burke class destroyer program.

Funds appropriated in title III of this Act may be used for multiyear procurement contracts as follows:

- Javelin missiles;
- Army Tactical Missile System (ATACMS);
- MK19-3 grenade machine guns;
- M16A2 rifles;
- M249 Squad Automatic Weapons;

SEC. 8010. Within the funds appropriated for the operation and maintenance of the Armed Forces, funds are hereby appropriated pursuant to section 401 of title 10, United States Code, for humanitarian and civic assistance costs under chapter 20 of title 10, United States Code. Such funds may also be obligated for humanitarian and civic assistance costs incidental to authorized operations and pursuant to authority granted in section 401 of chapter 20 of title 10, United States Code, and these obligations shall be reported to Congress on September 30 of each year: *Provided*, That funds available for operation and maintenance shall be available for providing humanitarian and similar assistance by using Civic Action Teams in the Trust Territories of the Pacific Islands and freely associated states of Micronesia, pursuant to the Compact of Free Association as authorized by Public Law 99-239: *Provided further*, That upon a determination by the Secretary of the Army that such action is beneficial for graduate medical education programs conducted at Army medical facilities located in Hawaii, the Secretary of the Army may authorize the provision of medical services at such facilities and transportation to such facilities, on a nonreimbursable basis, for civilian patients from American Samoa, the Commonwealth of the Northern Mariana Islands, the Marshall Islands, the Federated States of Micronesia, Palau, and Guam. 10 USC 401 note.

SEC. 8011. (a) During fiscal year 1997, the civilian personnel of the Department of Defense may not be managed on the basis of any end-strength, and the management of such personnel during that fiscal year shall not be subject to any constraint or limitation (known as an end-strength) on the number of such personnel who may be employed on the last day of such fiscal year.

(b) The fiscal year 1998 budget request for the Department of Defense as well as all justification material and other documentation supporting the fiscal year 1998 Department of Defense budget request shall be prepared and submitted to the Congress as if subsections (a) and (b) of this provision were effective with regard to fiscal year 1998.

(c) Nothing in this section shall be construed to apply to military (civilian) technicians.

SEC. 8012. Notwithstanding any other provision of law, none of the funds made available by this Act shall be used by the Department of Defense to exceed, outside the fifty United States, its territories, and the District of Columbia, 125,000 civilian workyears: *Provided*, That workyears shall be applied as defined in the Federal Personnel Manual: *Provided further*, That workyears expended in dependent student hiring programs for disadvantaged youths shall not be included in this workyear limitation.

SEC. 8013. None of the funds made available by this Act shall be used in any way, directly or indirectly, to influence congressional action on any legislation or appropriation matters pending before the Congress.

SEC. 8014. (a) None of the funds appropriated by this Act shall be used to make contributions to the Department of Defense Education Benefits Fund pursuant to section 2006(g) of title 10, United States Code, representing the normal cost for future benefits

under section 3015(c) of title 38, United States Code, for any member of the armed services who, on or after the date of enactment of this Act—

(1) enlists in the armed services for a period of active duty of less than three years; or

(2) receives an enlistment bonus under section 308a or 308f of title 37, United States Code,

nor shall any amounts representing the normal cost of such future benefits be transferred from the Fund by the Secretary of the Treasury to the Secretary of Veterans Affairs pursuant to section 2006(d) of title 10, United States Code; nor shall the Secretary of Veterans Affairs pay such benefits to any such member: *Provided*, That in the case of a member covered by clause (1), these limitations shall not apply to members in combat arms skills or to members who enlist in the armed services on or after July 1, 1989, under a program continued or established by the Secretary of Defense in fiscal year 1991 to test the cost-effective use of special recruiting incentives involving not more than nineteen noncombat arms skills approved in advance by the Secretary of Defense: *Provided further*, That this subsection applies only to active components of the Army.

(b) None of the funds appropriated by this Act shall be available for the basic pay and allowances of any member of the Army participating as a full-time student and receiving benefits paid by the Secretary of Veterans Affairs from the Department of Defense Education Benefits Fund when time spent as a full-time student is credited toward completion of a service commitment: *Provided*, That this subsection shall not apply to those members who have reenlisted with this option prior to October 1, 1987: *Provided further*, That this subsection applies only to active components of the Army.

SEC. 8015. None of the funds appropriated by this Act shall be available to convert to contractor performance an activity or function of the Department of Defense that, on or after the date of enactment of this Act, is performed by more than ten Department of Defense civilian employees until a most efficient and cost-effective organization analysis is completed on such activity or function and certification of the analysis is made to the Committees on Appropriations of the House of Representatives and the Senate: *Provided*, That this section shall not apply to a commercial or industrial type function of the Department of Defense that: (1) is included on the procurement list established pursuant to section 2 of the Act of June 25, 1938 (41 U.S.C. 47), popularly referred to as the Javits-Wagner-O'Day Act; (2) is planned to be converted to performance by a qualified nonprofit agency for the blind or by a qualified nonprofit agency for other severely handicapped individuals in accordance with that Act; or (3) is planned to be converted to performance by a qualified firm under 51 percent Native American ownership.

(TRANSFER OF FUNDS)

SEC. 8016. Funds appropriated in title III of this Act for the Department of Defense Pilot Mentor-Protege Program may be transferred to any other appropriation contained in this Act solely for the purpose of implementing a Mentor-Protege Program developmental assistance agreement pursuant to section 831 of the National Defense Authorization Act for Fiscal Year 1991 (Public

Law 101-510; 10 U.S.C. 2301 note), as amended, under the authority of this provision or any other transfer authority contained in this Act.

SEC. 8017. None of the funds in this Act may be available for the purchase by the Department of Defense (and its departments and agencies) of welded shipboard anchor and mooring chain 4 inches in diameter and under unless the anchor and mooring chain are manufactured in the United States from components which are substantially manufactured in the United States: *Provided*, That for the purpose of this section manufactured will include cutting, heat treating, quality control, testing of chain and welding (including the forging and shot blasting process): *Provided further*, That for the purpose of this section substantially all of the components of anchor and mooring chain shall be considered to be produced or manufactured in the United States if the aggregate cost of the components produced or manufactured in the United States exceeds the aggregate cost of the components produced or manufactured outside the United States: *Provided further*, That when adequate domestic supplies are not available to meet Department of Defense requirements on a timely basis, the Secretary of the service responsible for the procurement may waive this restriction on a case-by-case basis by certifying in writing to the Committees on Appropriations that such an acquisition must be made in order to acquire capability for national security purposes.

SEC. 8018. None of the funds appropriated by this Act available for the Civilian Health and Medical Program of the Uniformed Services (CHAMPUS) shall be available for the reimbursement of any health care provider for inpatient mental health service for care received when a patient is referred to a provider of inpatient mental health care or residential treatment care by a medical or health care professional having an economic interest in the facility to which the patient is referred: *Provided*, That this limitation does not apply in the case of inpatient mental health services provided under the program for the handicapped under subsection (d) of section 1079 of title 10, United States Code, provided as partial hospital care, or provided pursuant to a waiver authorized by the Secretary of Defense because of medical or psychological circumstances of the patient that are confirmed by a health professional who is not a Federal employee after a review, pursuant to rules prescribed by the Secretary, which takes into account the appropriate level of care for the patient, the intensity of services required by the patient, and the availability of that care.

SEC. 8019. Funds available in this Act may be used to provide transportation for the next-of-kin of individuals who have been prisoners of war or missing in action from the Vietnam era to an annual meeting in the United States, under such regulations as the Secretary of Defense may prescribe.

SEC. 8020. Notwithstanding any other provision of law, during the current fiscal year, the Secretary of Defense may, by Executive Agreement, establish with host nation governments in NATO member states a separate account into which such residual value amounts negotiated in the return of United States military installations in NATO member states may be deposited, in the currency of the host nation, in lieu of direct monetary transfers to the United States Treasury: *Provided*, That such credits may be utilized only for the construction of facilities to support United States military forces in that host nation, or such real property maintenance

note.

and base operating costs that are currently executed through monetary transfers to such host nations: *Provided further*, That the Department of Defense's budget submission for fiscal year 1998 shall identify such sums anticipated in residual value settlements, and identify such construction, real property maintenance or base operating costs that shall be funded by the host nation through such credits: *Provided further*, That all military construction projects to be executed from such accounts must be previously approved in a prior Act of Congress: *Provided further*, That each such Executive Agreement with a NATO member host nation shall be reported to the congressional defense committees, the Committee on International Relations of the House of Representatives and the Committee on Foreign Relations of the Senate thirty days prior to the conclusion and endorsement of any such agreement established under this provision.

SEC. 8021. None of the funds available to the Department of Defense may be used to demilitarize or dispose of M-1 Carbines, M-1 Garand rifles, M-14 rifles, .22 caliber rifles, .30 caliber rifles, or M-1911 pistols.

SEC. 8022. Notwithstanding any other provision of law, none of the funds appropriated by this Act shall be available to pay more than 50 percent of an amount paid to any person under section 308 of title 37, United States Code, in a lump sum.

SEC. 8023. None of the funds appropriated by this Act shall be available for payments under the Department of Defense contract with the Louisiana State University Medical Center involving the use of cats for Brain Missile Wound Research, and the Department of Defense shall not make payments under such contract from funds obligated prior to the date of the enactment of this Act, except as necessary for costs incurred by the contractor prior to the enactment of this Act: *Provided*, That funds necessary for the care of animals covered by this contract are allowed.

SEC. 8024. Of the funds made available by this Act in title III, Procurement, \$8,000,000, drawn pro rata from each appropriations account in title III, shall be available for incentive payments authorized by section 504 of the Indian Financing Act of 1974, 25 U.S.C. 1544. These payments shall be available only to contractors which have submitted subcontracting plans pursuant to 15 U.S.C. 637(d), and according to regulations which shall be promulgated by the Secretary of Defense within 90 days of the passage of this Act.

SEC. 8025. None of the funds provided in this Act or any other Act shall be available to conduct bone trauma research at any Army Research Laboratory until the Secretary of the Army certifies that the synthetic compound to be used in the experiments is of such a type that its use will result in a significant medical finding, the research has military application, the research will be conducted in accordance with the standards set by an animal care and use committee, and the research does not duplicate research already conducted by a manufacturer or any other research organization.

SEC. 8026. During the current fiscal year, none of the funds available to the Department of Defense may be used to procure or acquire (1) defensive handguns unless such handguns are the M9 or M11 9mm Department of Defense standard handguns, or (2) offensive handguns except for the Special Operations Forces:

PUBLIC LAW 104-208—SEPT. 30, 1996

110 STAT.

Provided, That the foregoing shall not apply to handguns and ammunition for marksmanship competitions.

SEC. 8027. No more than \$500,000 of the funds appropriated or made available in this Act shall be used for any single relocation of an organization, unit, activity or function of the Department of Defense into or within the National Capital Region: *Provided*, That the Secretary of Defense may waive this restriction on a case-by-case basis by certifying in writing to the Congressional defense committees that such a relocation is required in the best interest of the Government.

SEC. 8028. During the current fiscal year, funds appropriated or otherwise available for any Federal agency, the Congress, the judicial branch, or the District of Columbia may be used for the pay, allowances, and benefits of an employee as defined by section 2105 of title 5 or an individual employed by the government of the District of Columbia, permanent or temporary indefinite, who—

(1) is a member of a Reserve component of the Armed Forces, as described in section 261 of title 10, or the National Guard, as described in section 101 of title 32;

(2) performs, for the purpose of providing military aid to enforce the law or providing assistance to civil authorities in the protection or saving of life or property or prevention of injury—

(A) Federal service under sections 331, 332, 333, or 12406 of title 10, or other provision of law, as applicable, or

(B) full-time military service for his or her State, the District of Columbia, the Commonwealth of Puerto Rico, or a territory of the United States; and

(3) requests and is granted—

(A) leave under the authority of this section; or

(B) annual leave, which may be granted without regard to the provisions of sections 5519 and 6323(b) of title 5, if such employee is otherwise entitled to such annual leave:

Provided, That any employee who requests leave under subsection (3)(A) for service described in subsection (2) of this section is entitled to such leave, subject to the provisions of this section and of the last sentence of section 6323(b) of title 5, and such leave shall be considered leave under section 6323(b) of title 5.

SEC. 8029. None of the funds appropriated by this Act shall be available to perform any cost study pursuant to the provisions of OMB Circular A-76 if the study being performed exceeds a period of twenty-four months after initiation of such study with respect to a single function activity or forty-eight months after initiation of such study for a multi-function activity.

SEC. 8030. Funds appropriated by this Act for the American Forces Information Service shall not be used for any national or international political or psychological activities.

SEC. 8031. Notwithstanding any other provision of law or regulation, the Secretary of Defense may adjust wage rates for civilian employees hired for certain health care occupations as authorized for the Secretary of Veterans Affairs by section 7455 of title 38, United States Code.

SEC. 8032. None of the funds appropriated or made available in this Act shall be used to reduce or disestablish the operation of the 53rd Weather Reconnaissance Squadron of the Air Force

Reserve, if such action would reduce the WC-130 Weather Reconnaissance mission below the levels funded in this Act.

SEC. 8033. (a) Of the funds for the procurement of supplies or services appropriated by this Act, qualified nonprofit agencies for the blind or other severely handicapped shall be afforded the maximum practicable opportunity to participate as subcontractors and suppliers in the performance of contracts let by the Department of Defense.

(b) During the current fiscal year, a business concern which has negotiated with a military service or defense agency a subcontracting plan for the participation by small business concerns pursuant to section 8(d) of the Small Business Act (15 U.S.C. 637(d)) shall be given credit toward meeting that subcontracting goal for any purchases made from qualified nonprofit agencies for the blind or other severely handicapped.

(c) For the purpose of this section, the phrase "qualified nonprofit agency for the blind or other severely handicapped" means a nonprofit agency for the blind or other severely handicapped that has been approved by the Committee for the Purchase from the Blind and Other Severely Handicapped under the Javits-Wagner-O'Day Act (41 U.S.C. 46-48).

SEC. 8034. During the current fiscal year, net receipts pursuant to collections from third party payers pursuant to section 1095 of title 10, United States Code, shall be made available to the local facility of the uniformed services responsible for the collections and shall be over and above the facility's direct budget amount.

SEC. 8035. During the current fiscal year, the Department of Defense is authorized to incur obligations of not to exceed \$350,000,000 for purposes specified in section 2350j(c) of title 10, United States Code, in anticipation of receipt of contributions, only from the Government of Kuwait, under that section: *Provided*, That, upon receipt, such contributions from the Government of Kuwait shall be credited to the appropriation or fund which incurred such obligations.

SEC. 8036. Of the funds made available in this Act, not less than \$23,626,000 shall be available for the Civil Air Patrol, of which \$19,926,000 shall be available for Operation and maintenance.

SEC. 8037. (a) None of the funds appropriated in this Act are available to establish a new Department of Defense (department) federally funded research and development center (FFRDC), either as a new entity, or as a separate entity administered by an organization managing another FFRDC, or as a nonprofit membership corporation consisting of a consortium of other FFRDCs and other non-profit entities.

(b) LIMITATION ON COMPENSATION.—No member of a Board of Directors, Trustees, Overseers, Advisory Group, Special Issues Panel, Visiting Committee, or any similar entity of a defense FFRDC, and no paid consultant to any defense FFRDC, may be compensated for his or her services as a member of such entity, or as a paid consultant, except under the same conditions, and to the same extent, as members of the Defense Science Board: *Provided*, That a member of any such entity referred to previously in this subsection shall be allowed travel expenses and per diem as authorized under the Federal Joint Travel Regulations, when engaged in the performance of membership duties.

PUBLIC LAW 104-208—SEPT. 30, 1996

110 STAT.

(c) Notwithstanding any other provision of law, none of the funds available to the department from any source during fiscal year 1997 may be used by a defense FFRDC, through a fee or other payment mechanism, for charitable contributions, for construction of new buildings, for payment of cost sharing for projects funded by government grants, or for absorption of contract overruns.

(d) Notwithstanding any other provision of law, of the funds available to the department during fiscal year 1997, not more than 5,975 staff years of technical effort (staff years) may be funded for defense FFRDCs: *Provided*, That of the specific amount referred to previously in this subsection, not more than 1,088 staff years may be funded for the defense studies and analysis FFRDCs.

(e) Notwithstanding any other provision of law, the Secretary of Defense shall control the total number of staff years to be performed by defense FFRDCs during fiscal year 1997 so as to reduce the total amounts appropriated in titles II, III, and IV of this Act by \$52,286,000: *Provided*, That the total amounts appropriated in titles II, III, and IV of this Act are hereby reduced by \$52,286,000 to reflect savings from the use of defense FFRDCs by the department.

- \$52,286,000

(f) Within 60 days after enactment of this Act, the Secretary of Defense shall submit to the Congressional defense committees a report presenting the specific amounts of staff years of technical effort to be allocated by the department for each defense FFRDC during fiscal year 1997: *Provided*, That, after the submission of the report required by this subsection, the department may not reallocate more than five percent of an FFRDC's staff years among other defense FFRDCs until 30 days after a detailed justification for any such reallocation is submitted to the Congressional defense committees.

(g) The Secretary of Defense shall, with the submission of the department's fiscal year 1998 budget request, submit a report presenting the specific amounts of staff years of technical effort to be allocated for each defense FFRDC during that fiscal year.

(h) The total amounts appropriated to or for the use of the department in titles II, III, and IV of this Act are hereby further reduced by \$102,286,000 to reflect savings from the decreased use of non-FFRDC consulting services by the department.

- 102,286,000

(i) No part of the reductions contained in subsections (e) and (h) of this section may be applied against any budget activity, activity group, subactivity group, line item, program element, program, project, subproject or activity which does not fund defense FFRDC activities or non-FFRDC consulting services within each appropriation account.

(j) Not later than 90 days after enactment of this Act, the Secretary of Defense shall submit to the congressional defense committees a report listing the specific funding reductions allocated to each category listed in subsection (i) above pursuant to this section.

[*Total, Sec. 8037, - \$154,572,000.*]

SEC. 8038. None of the funds in this or any other Act shall be available for the preparation of studies on—

(a) the feasibility of removal and transportation of unitary chemical weapons or agents from the eight chemical storage sites within the continental United States to Johnston Atoll: *Provided*, That this prohibition shall not apply to General

Accounting Office studies requested by a Member of Congress or a Congressional Committee; and

(b) the potential future uses of the nine chemical disposal facilities other than for the destruction of stockpile chemical munitions and as limited by section 1412(c)(2), Public Law 99-145: *Provided*, That this prohibition does not apply to future use studies for the CAMDS facility at Tooele, Utah.

SEC. 8039. None of the funds appropriated or made available in this Act shall be used to procure carbon, alloy or armor steel plate for use in any Government-owned facility or property under the control of the Department of Defense which were not melted and rolled in the United States or Canada: *Provided*, That these procurement restrictions shall apply to any and all Federal Supply Class 9515, American Society of Testing and Materials (ASTM) or American Iron and Steel Institute (AISI) specifications of carbon, alloy or armor steel plate: *Provided further*, That the Secretary of the military department responsible for the procurement may waive this restriction on a case-by-case basis by certifying in writing to the Committees on Appropriations of the House of Representatives and the Senate that adequate domestic supplies are not available to meet Department of Defense requirements on a timely basis and that such an acquisition must be made in order to acquire capability for national security purposes: *Provided further*, That these restrictions shall not apply to contracts which are in being as of the date of enactment of this Act.

SEC. 8040. For the purposes of this Act, the term “congressional defense committees” means the National Security Committee of the House of Representatives, the Armed Services Committee of the Senate, the subcommittee on Defense of the Committee on Appropriations of the Senate, and the subcommittee on National Security of the Committee on Appropriations of the House of Representatives.

SEC. 8041. During the current fiscal year, the Department of Defense may acquire the modification, depot maintenance and repair of aircraft, vehicles and vessels as well as the production of components and other Defense-related articles, through competition between Department of Defense depot maintenance activities and private firms: *Provided*, That the Senior Acquisition Executive of the military department or defense agency concerned, with power of delegation, shall certify that successful bids include comparable estimates of all direct and indirect costs for both public and private bids: *Provided further*, That Office of Management and Budget Circular A-76 shall not apply to competitions conducted under this section.

41 USC 10b-2.

SEC. 8042. (a)(1) If the Secretary of Defense, after consultation with the United States Trade Representative, determines that a foreign country which is party to an agreement described in paragraph (2) has violated the terms of the agreement by discriminating against certain types of products produced in the United States that are covered by the agreement, the Secretary of Defense shall rescind the Secretary's blanket waiver of the Buy American Act with respect to such types of products produced in that foreign country.

(2) An agreement referred to in paragraph (1) is any reciprocal defense procurement memorandum of understanding, between the United States and a foreign country pursuant to which the Secretary

PUBLIC LAW 104-208—SEPT. 30, 1996

110 STAT.

of Defense has prospectively waived the Buy American Act for certain products in that country.

(b) The Secretary of Defense shall submit to Congress a report on the amount of Department of Defense purchases from foreign entities in fiscal year 1997. Such report shall separately indicate the dollar value of items for which the Buy American Act was waived pursuant to any agreement described in subsection (a)(2), the Trade Agreement Act of 1979 (19 U.S.C. 2501 et seq.), or any international agreement to which the United States is a party.

(c) For purposes of this section, the term "Buy American Act" means title III of the Act entitled "An Act making appropriations for the Treasury and Post Office Departments for the fiscal year ending June 30, 1934, and for other purposes", approved March 3, 1933 (41 U.S.C. 10a et seq.).

SEC. 8043. Appropriations contained in this Act that remain available at the end of the current fiscal year as a result of energy cost savings realized by the Department of Defense shall remain available for obligation for the next fiscal year to the extent, and for the purposes, provided in section 2865 of title 10, United States Code.

SEC. 8044. During the current fiscal year and hereafter, voluntary separation incentives payable under 10 U.S.C. 1175 may be paid in such amounts as are necessary from the assets of the Voluntary Separation Incentive Fund established by section 1175(h)(1).

During the current fiscal year, amounts contained in the Department of Defense Overseas Military Facility Investment Recovery Account established by section 2921(c)(1) of the National Defense Authorization Act of 1991 (Public Law 101-510; 10 U.S.C. 2687 note) shall be available until expended for the payments specified by section 2921(c)(2) of that Act.

10 USC 1268
note.

SEC. 8050. During the current fiscal year and hereafter, annual payments granted under the provisions of section 4416 of the National Defense Authorization Act for Fiscal Year 1993 (Public Law 102-484; 106 Stat. 2714) shall be made from appropriations in this Act which are available for the pay of reserve component personnel.

SEC. 8051. Of the funds appropriated or otherwise made available by this Act, not more than \$119,200,000 shall be available for payment of the operating costs of NATO Headquarters: *Provided*, That the Secretary of Defense may waive this section for Department of Defense support provided to NATO forces in and around the former Yugoslavia.

SEC. 8052. During the current fiscal year, appropriations which are available to the Department of Defense for operation and maintenance may be used to purchase items having an investment item unit cost of not more than \$100,000.

10 USC 1293
note.

SEC. 8053. During the current fiscal year and hereafter, appropriations available for the pay and allowances of active duty members of the Armed Forces shall be available to pay the retired pay which is payable pursuant to section 4403 of Public Law 102-484 (10 U.S.C. 1293 note) under the terms and conditions provided in section 4403.

SEC. 8054. (a) During the current fiscal year, none of the appropriations or funds available to the Defense Business Operations Fund shall be used for the purchase of an investment item for the purpose of acquiring a new inventory item for sale or anticipated sale during the current fiscal year or a subsequent fiscal year to customers of the Defense Business Operations Fund if such an item would not have been chargeable to the Defense Business Operations Fund during fiscal year 1994 and if the purchase of such an investment item would be chargeable during the current fiscal year to appropriations made to the Department of Defense for procurement.

(b) The fiscal year 1998 budget request for the Department of Defense as well as all justification material and other documentation supporting the fiscal year 1998 Department of Defense budget shall be prepared and submitted to the Congress on the basis that any equipment which was classified as an end item and funded in a procurement appropriation contained in this Act shall be budgeted for in a proposed fiscal year 1998 procurement appropriation and not in the supply management business area or any other area or category of the Defense Business Operations Fund.

SEC. 8055. None of the funds provided in this Act shall be available for use by a Military Department to modify an aircraft, weapon, ship or other item of equipment, that the Military Department concerned plans to retire or otherwise dispose of within five years after completion of the modification: *Provided*, That this prohibition shall not apply to safety modifications: *Provided further*,

That this prohibition may be waived by the Secretary of a Military Department if the Secretary determines it is in the best national security interest of the United States to provide such waiver and so notifies the congressional defense committees in writing.

SEC. 8056. None of the funds appropriated by this Act for programs of the Central Intelligence Agency shall remain available for obligation beyond the current fiscal year, except for funds appropriated for the Reserve for Contingencies, which shall remain available until September 30, 1998.

SEC. 8057. Notwithstanding any other provision of law, funds made available in this Act for the Defense Intelligence Agency may be used for the design, development, and deployment of General Defense Intelligence Program intelligence communications and intelligence information systems for the Services, the Unified and Specified Commands, and the component commands.

SEC. 8058. (a) Notwithstanding any other provision of law, funds appropriated in this Act for the High Performance Computing Modernization Program shall be made available only for the acquisition, modernization and sustainment of supercomputing capability and capacity at Department of Defense (DoD) science and technology sites under the cognizance of the Director of Defense Research and Engineering and DoD test and evaluation facilities under the Director of Test and Evaluation, OUSD (A&T): *Provided*, That these funds shall be awarded based on user-defined requirements.

(b) Of the funds appropriated in this Act under the heading "Procurement, Defense-Wide", \$124,735,000 shall be made available for the High Performance Computing Modernization Program. Of the total funds made available for the program pursuant to this subsection, \$20,000,000 shall be for the Army High Performance Computing Research Center.

SEC. 8059. Of the funds appropriated by the Department of Defense under the heading "Operation and Maintenance, Defense-Wide", not less than \$8,000,000 shall be made available only for the mitigation of environmental impacts, including training and technical assistance to tribes, related administrative support, the gathering of information, documenting of environmental damage, and developing a system for prioritization of mitigation, on Indian lands resulting from Department of Defense activities.

SEC. 8060. Amounts collected for the use of the facilities of the National Science Center for Communications and Electronics during the current fiscal year pursuant to section 1459(g) of the Department of Defense Authorization Act, 1986 and deposited to the special account established under subsection 1459(g)(2) of that Act are appropriated and shall be available until expended for the operation and maintenance of the Center as provided for in subsection 1459(g)(2).

\$120,000

SEC. 8061. None of the funds appropriated in this Act may be used to fill the commander's position at any military medical facility with a health care professional unless the prospective candidate can demonstrate professional administrative skills.

SEC. 8062. (a) None of the funds appropriated in this Act may be expended by an entity of the Department of Defense unless the entity, in expending the funds, complies with Buy American Act. For purposes of this subsection, the term "Buy American Act" means title III of the Act entitled "An Act making appropriations for the Treasury and Post Office Departments for the fiscal year

ending June 30, 1934, and for other purposes”, approved March 3, 1933 (41 U.S.C. 10a et seq.).

(b) If the Secretary of Defense determines that a person has been convicted of intentionally affixing a label bearing a “Made in America” inscription to any product sold in or shipped to the United States that is not made in America, the Secretary shall determine, in accordance with section 2410f of title 10, United States Code, whether the person should be debarred from contracting with the Department of Defense.

(c) In the case of any equipment or products purchased with appropriations provided under this Act, it is the sense of the Congress that any entity of the Department of Defense, in expending the appropriation, purchase only American-made equipment and products, provided that American-made equipment and products are cost-competitive, quality-competitive, and available in a timely fashion.

SEC. 8063. None of the funds appropriated by this Act shall be available for a contract for studies, analyses, or consulting services entered into without competition on the basis of an unsolicited proposal unless the head of the activity responsible for the procurement determines—

(1) as a result of thorough technical evaluation, only one source is found fully qualified to perform the proposed work, or

(2) the purpose of the contract is to explore an unsolicited proposal which offers significant scientific or technological promise, represents the product of original thinking, and was submitted in confidence by one source, or

(3) the purpose of the contract is to take advantage of unique and significant industrial accomplishment by a specific concern, or to insure that a new product or idea of a specific concern is given financial support:

Provided, That this limitation shall not apply to contracts in an amount of less than \$25,000, contracts related to improvements of equipment that is in development or production, or contracts as to which a civilian official of the Department of Defense, who has been confirmed by the Senate, determines that the award of such contract is in the interest of the national defense.

SEC. 8064. Funds appropriated by this Act for intelligence activities are deemed to be specifically authorized by the Congress for purposes of section 504 of the National Security Act of 1947 (50 U.S.C. 414).

50 USC 1521
note.

SEC. 8065. Notwithstanding section 142 of H.R. 3230, the National Defense Authorization Act for Fiscal Year 1997, as passed by the Senate on September 10, 1996, of the funds provided in title VI of this Act, under the heading “Chemical Agents and Munitions Destruction, Defense”, \$40,000,000 shall only be available for the conduct of a pilot program to identify and demonstrate not less than two alternatives to the baseline incineration process for the demilitarization of assembled chemical munitions: *Provided*, That the Under Secretary of Defense for Acquisition and Technology shall, not later than December 1, 1996, designate a program manager who is not, nor has been, in direct or immediate control of the baseline reverse assembly incineration demilitarization program to carry out the pilot program: *Provided further*, That the Under Secretary of Defense for Acquisition and Technology shall evaluate the effectiveness of each alternative chemical munitions

demilitarization technology identified and demonstrated under the pilot program to demilitarize munitions and assembled chemical munitions while meeting all applicable Federal and State environmental and safety requirements: *Provided further*, That the Under Secretary of Defense for Acquisition and Technology shall transmit, by December 15 of each year, a report to the congressional defense committees on the activities carried out under the pilot program during the preceding fiscal year in which the report is to be made: *Provided further*, That section 142(f)(3) of H.R. 3230, the National Defense Authorization Act for Fiscal Year 1997, as passed by the Senate on September 10, 1996, is repealed: *Provided further*, That no funds may be obligated for the construction of a baseline incineration facility at the Lexington Blue Grass Army Depot or the Pueblo Depot activity until 180 days after the Secretary of Defense has submitted to the congressional defense committees a report detailing the effectiveness of each alternative chemical munitions demilitarization technology identified and demonstrated under the pilot program and its ability to meet the applicable safety and environmental requirements: *Provided further*, That none of the funds in this or any other Act may be obligated for the preparation of studies, assessments, or planning of the removal and transportation of stockpile assembled unitary chemical weapons or neutralized chemical agent to any of the eight chemical weapons storage sites within the continental United States.

50 USC 1521
note.

SEC. 8066. (a) None of the funds made available by this Act may be obligated for design, development, acquisition, or operation of more than 47 Titan IV expendable launch vehicles, or for satellite mission-model planning for a Titan IV requirement beyond 47 vehicles.

(b) \$59,600,000 made available in this Act for Research, Development, Test and Evaluation, Air Force, may only be obligated for development of a new family of medium-lift and heavy-lift expendable launch vehicles evolved from existing technologies.

SEC. 8067. None of the funds available to the Department of Defense in this Act may be used to establish additional field operating agencies of any element of the Department during fiscal year 1997, except for field operating agencies funded within the National Foreign Intelligence Program: *Provided*, That the Secretary of Defense may waive this section by certifying to the House and Senate Committees on Appropriations that the creation of such field operating agencies will reduce either the personnel and/or financial requirements of the Department of Defense.

SEC. 8068. Notwithstanding section 303 of Public Law 96-487 or any other provision of law, the Secretary of the Navy is authorized to lease real and personal property at Naval Air Facility, Adak, Alaska, pursuant to 10 U.S.C. 2667(f), for commercial, industrial or other purposes.

SEC. 8069. Notwithstanding any other provision of law, for resident classes entering the war colleges after September 30, 1997, the Department of Defense shall require that not less than 20 percent of the total of United States military students at each war college shall be from military departments other than the hosting military department: *Provided*, That each military department will recognize the attendance at a sister military department war college as the equivalent of attendance at its own war college for promotion and advancement of personnel.

SEC. 8071. None of the funds provided in this Act may be obligated for payment on new contracts on which allowable costs charged to the government include payments for individual compensation at a rate in excess of \$250,000 per year.

SEC. 8072. Of the funds appropriated in the Department of Defense Appropriations Act, 1996 (Public Law 104-61), under the heading “Other Procurement, Army”, the Department of the Army shall grant \$477,000 to the Kansas Unified School District 207 for the purpose of integrating schools at Fort Leavenworth into the existing fiber optic network on post.

SEC. 8073. None of the funds available in this Act may be used to reduce the authorized positions for military (civilian) technicians of the Army National Guard, the Air National Guard, Army Reserve and Air Force Reserve for the purpose of applying any administratively imposed civilian personnel ceiling, freeze, or reduction on military (civilian) technicians, unless such reductions are a direct result of a reduction in military force structure.

SEC. 8074. None of the funds appropriated or otherwise made available in this Act may be obligated or expended for assistance to the Democratic People’s Republic of North Korea unless specifically appropriated for that purpose.

SEC. 8075. During the current fiscal year, funds appropriated in this Act are available to compensate members of the National Guard for duty performed pursuant to a plan submitted by a Governor of a State and approved by the Secretary of Defense under section 112 of title 32, United States Code: *Provided*, That during the performance of such duty, the members of the National Guard shall be under State command and control: *Provided further*, That such duty shall be treated as full-time National Guard duty for purposes of sections 12602 (a)(2) and (b)(2) of title 10, United States Code.

SEC. 8076. Funds appropriated in this Act for operation and maintenance of the Military Departments, Unified and Specified Commands and Defense Agencies shall be available for reimbursement of pay, allowances and other expenses which would otherwise be incurred against appropriations for the National Guard and

(TRANSFER OF FUNDS)

SEC. 8081. Appropriations available in this Act under the heading "Operation and Maintenance, Defense-Wide" for increasing energy and water efficiency in Federal buildings may, during their period of availability, be transferred to other appropriations or funds of the Department of Defense for projects related to increasing energy and water efficiency, to be merged with and to be available for the same general purposes, and for the same time period, as the appropriation or fund to which transferred.

SEC. 8082. None of the funds appropriated by this Act may be used for the procurement of ball and roller bearings other than those produced by a domestic source and of domestic origin: *Provided*, That the Secretary of the military department responsible for such procurement may waive this restriction on a case-by-case basis by certifying in writing to the Committees on Appropriations of the House of Representatives and the Senate, that adequate domestic supplies are not available to meet Department of Defense

requirements on a timely basis and that such an acquisition must be made in order to acquire capability for national security purposes.

SEC. 8083. Notwithstanding any other provision of law, funds available to the Department of Defense shall be made available to provide transportation of medical supplies and equipment, on a nonreimbursable basis, to American Samoa: *Provided*, That notwithstanding any other provision of law, funds available to the Department of Defense shall be made available to provide transportation of medical supplies and equipment, on a nonreimbursable basis, to the Indian Health Service when it is in conjunction with a civil-military project.

SEC. 8084. None of the funds in this Act may be used to purchase any supercomputer which is not manufactured in the United States, unless the Secretary of Defense certifies to the congressional defense committees that such an acquisition must be made in order to acquire capability for national security purposes that is not available from United States manufacturers.

SEC. 8085. Notwithstanding any other provision of law, the Naval shipyards of the United States shall be eligible to participate in any manufacturing extension program financed by funds appropriated in this or any other Act.

SEC. 8086. None of the funds appropriated by this Act shall be available to lease or charter a vessel in excess of seventeen months (inclusive of any option periods) to transport fuel or oil for the Department of Defense if the vessel was constructed after October 1, 1995 unless the Secretary of Defense requires that the vessel be constructed in the United States with a double hull under the long-term lease or charter authority provided in section 2401 note of title 10, United States Code: *Provided*, That this limitation shall not apply to contracts in force on the date of enactment of this Act: *Provided further*, That by 1997 at least 20 percent of annual leases and charters must be for ships of double hull design constructed after October 1, 1995 if available in numbers sufficient to satisfy this requirement: *Provided further*, That the Military Sealift Command shall plan to achieve the goal of eliminating single hull ship leases by the year 2015.

(TRANSFER OF FUNDS)

SEC. 8087. In addition to amounts appropriated or otherwise made available by this Act, \$300,000,000 is hereby appropriated to the Department of Defense and shall be available only for transfer to the United States Coast Guard.

SEC. 8088. Notwithstanding any other provision in this Act, the total amount appropriated in this Act is hereby reduced by \$150,000,000 to reflect savings from reduced carryover of activities funded through the Defense Business Operations Fund, to be distributed as follows: "Operation and Maintenance, Army", \$60,000,000; and "Operation and Maintenance, Navy", \$90,000,000.

SEC. 8089. Notwithstanding any other provision of law, each contract awarded by the Department of Defense during the current fiscal year for construction or service performed in whole or in part in a State which is not contiguous with another State and has an unemployment rate in excess of the national average rate of unemployment as determined by the Secretary of Labor, shall include a provision requiring the contractor to employ, for the purpose of performing that portion of the contract in such State

that is not contiguous with another State, individuals who are residents of such State and who, in the case of any craft or trade, possess or would be able to acquire promptly the necessary skills: *Provided*, That the Secretary of Defense may waive the requirements of this section, on a case-by-case basis, in the interest of national security.

SEC. 8090. During the current fiscal year, the Army shall use the former George Air Force Base as the airhead for the National Training Center at Fort Irwin: *Provided*, That none of the funds in this Act shall be obligated or expended to transport Army personnel into Edwards Air Force Base for training rotations at the National Training Center.

SEC. 8091. (a) The Secretary of Defense shall submit, on a quarterly basis, a report to the congressional defense committees, the Committee on International Relations of the House of Representatives and the Committee on Foreign Relations of the Senate setting forth all costs (including incremental costs) incurred by the Department of Defense during the preceding quarter in implementing or supporting resolutions of the United Nations Security Council, including any such resolution calling for international sanctions, international peacekeeping operations, and humanitarian missions undertaken by the Department of Defense. The quarterly report shall include an aggregate of all such Department of Defense costs by operation or mission.

(b) The Secretary of Defense shall detail in the quarterly reports all efforts made to seek credit against past United Nations expenditures and all efforts made to seek compensation from the United Nations for costs incurred by the Department of Defense in implementing and supporting United Nations activities.

SEC. 8092 (a) LIMITATION ON TRANSFER OF DEFENSE ARTICLES AND SERVICES.—Notwithstanding any other provision of law, none of the funds available to the Department of Defense for the current fiscal year may be obligated or expended to transfer to another nation or an international organization any defense articles or services (other than intelligence services) for use in the activities described in subsection (b) unless the congressional defense committees, the Committee on International Relations of the House of Representatives, and the Committee on Foreign Relations of the Senate are notified 15 days in advance of such transfer.

(b) COVERED ACTIVITIES.—(1) This section applies to—

(A) any international peacekeeping or peace-enforcement operation under the authority of chapter VI or chapter VII of the United Nations Charter under the authority of a United Nations Security Council resolution; and

(B) any other international peacekeeping, peace-enforcement, or humanitarian assistance operation.

(c) REQUIRED NOTICE.—A notice under subsection (a) shall include the following:

(1) A description of the equipment, supplies, or services to be transferred.

(2) A statement of the value of the equipment, supplies, or services to be transferred.

(3) In the case of a proposed transfer of equipment or supplies—

(A) a statement of whether the inventory requirements of all elements of the Armed Forces (including the reserve

components) for the type of equipment or supplies to be transferred have been met; and

(B) a statement of whether the items proposed to be transferred will have to be replaced and, if so, how the President proposes to provide funds for such replacement.

SEC. 8093. To the extent authorized by subchapter VI of Chapter 148 of title 10, United States Code, the Secretary of Defense shall issue loan guarantees in support of U.S. defense exports not otherwise provided for: *Provided*, That the total contingent liability of the United States for guarantees issued under the authority of this section may not exceed \$15,000,000,000: *Provided further*, That the exposure fees charged and collected by the Secretary for each guarantee, shall be paid by the country involved and shall not be financed as part of a loan guaranteed by the United States: *Provided further*, That the Secretary shall provide quarterly reports to the Committees on Appropriations, Armed Services and Foreign Relations of the Senate and the Committees on Appropriations, National Security and International Relations in the House of Representatives on the implementation of this program: *Provided further*, That amounts charged for administrative fees and deposited to the special account provided for under section 2540c(d) of title 10, shall be available for paying the costs of administrative expenses of the Department of Defense that are attributable to the loan guarantee program under subchapter VI of Chapter 148 of title 10.

SEC. 8094. None of the funds available to the Department of Defense shall be obligated or expended to make a financial contribution to the United Nations for the cost of an United Nations peacekeeping activity (whether pursuant to assessment or a voluntary contribution) or for payment of any United States arrearage to the United Nations.

SEC. 8095. None of the funds available to the Department of Defense under this Act shall be obligated or expended to pay a contractor under a contract with the Department of Defense for costs of any amount paid by the contractor to an employee when—

(1) such costs are for a bonus or otherwise in excess of the normal salary paid by the contractor to the employee; and

(2) such bonus is part of restructuring costs associated with a business combination.

SEC. 8096. The amount otherwise provided by this Act for “Operation and Maintenance, Air Force” is hereby reduced by \$194,500,000, to reflect a reduction in the pass-through to the Air Force business areas of the Defense Business Operations Fund.

SEC. 8101. None of the funds provided in this Act may be obligated or expended for the sale of zinc in the National Defense Stockpile if zinc commodity prices decline more than five percent below the London Metals Exchange market price reported on the date of enactment of this Act.

SEC. 8102. For purposes of section 1553(b) of title 31, United States Code, any subdivision of appropriations made in this Act under the heading "Shipbuilding and Conversion, Navy" shall be considered to be for the same purpose as any subdivision under the heading "Shipbuilding and Conversion, Navy" appropriations in any prior year, and the one percent limitation shall apply to the total amount of the appropriation.

SEC. 8103. During the current fiscal year, and notwithstanding 31 U.S.C. 1552(a), not more than \$107,000,000 appropriated under the heading "Aircraft Procurement, Air Force" in Public Law 101-511 and not more than \$15,000,000 appropriated under the heading "Aircraft Procurement, Air Force" in Public Law 102-172 which were available and obligated for the B-2 Aircraft Program shall remain available for expenditure and for adjusting obligations for such Program until September 30, 2002.

SEC. 8104. During the current fiscal year, in the case of an appropriation account of the Department of Defense for which the period of availability for obligation has expired or which has closed under the provisions of section 1552 of title 31, United States Code, and which has a negative unliquidated or unexpended balance, an obligation or an adjustment of an obligation may be charged to any current appropriation account for the same purpose as the expired or closed account if—

(1) the obligation would have been properly chargeable (except as to amount) to the expired or closed account before the end of the period of availability or closing of that account;

(2) the obligation is not otherwise properly chargeable to any current appropriation account of the Department of Defense; and

(3) in the case of an expired account, the obligation is not chargeable to a current appropriation of the Department of Defense under the provisions of section 1405(b)(8) of the National Defense Authorization Act for Fiscal Year 1991, Public Law 101-510, as amended (31 U.S.C. 1551 note): *Provided*, That in the case of an expired account, if subsequent review or investigation discloses that there was not in fact a negative unliquidated or unexpended balance in the account, any charge to a current account under the authority of this section shall be reversed and recorded against the expired account: *Provided further*, That the total amount charged to a current appropriation under this section may not exceed an amount equal to one percent of the total appropriation for that account.

(TRANSFER OF FUNDS)

SEC. 8105. Upon enactment of this Act, the Secretary of Defense shall make the following transfers of funds: *Provided*, That the amounts transferred shall be available for the same purposes as the appropriations to which transferred, and for the same time period as the appropriation from which transferred: *Provided further*, That the amounts shall be transferred between the following appropriations in the amount specified:

SEC. 8111. TRADEOFF STUDY OF CURRENT AND FUTURE DEEP-STRIKE CAPABILITIES.—

(1) The Secretary of Defense shall carry out the deep-strike tradeoff study announced by the President to study tradeoffs between bombers, land and sea-based tactical aircraft, and missiles capable of striking targets in an enemy's rear area.

(2) The Secretary of Defense shall establish an ad hoc review committee under the auspices of the Defense Science Board to establish the methodological approach to the tradeoff study, to establish a broad range of stressing scenarios of interest, and to review assumptions regarding the analyses to be conducted.

(3) The ad hoc review committee to be established under paragraph (2) shall include among its members analysts who have performed or participated in bomber tradeoff analysis, retired military personnel with broad experience in recent conventional warfare operations, and experts on the logistics of both initial deployment and sustaining support. These members shall be selected without regard for current service on the Defense Science Board.

(4) After submitting its recommendations for the conduct of the deep-strike tradeoff study to the Secretary of Defense, the ad hoc review committee shall continue to meet regularly to review preliminary results of the analysis and to recommend additional variations in assumptions that may be required to illuminate particular force tradeoff issues.

SEC. 8112. Notwithstanding 31 U.S.C. 1552(a), of the funds provided in Department of Defense Appropriations Acts, not more than the specified amounts of funds from the following accounts shall remain available for the payment of satellite on-orbit incentive fees until the fees are paid:

SEC. 8115. (a) None of the funds available to the Department of Defense under this Act may be obligated or expended to reimburse a defense contractor for restructuring costs associated

with a business combination of the defense contractor that occurs after the date of enactment of this Act unless:

(1) the auditable savings for the Department of Defense resulting from the restructuring will exceed the costs allowed by a factor of at least two to one, or

(2) the savings for the Department of Defense resulting from the restructuring will exceed the costs allowed and the Secretary of Defense determines that the business combination will result in the preservation of a critical capability that might otherwise be lost to the Department, and

(3) the report required by Section 818(e) of Public Law 103-337 to be submitted to Congress in 1996 is submitted.

(b) Not later than April 1, 1997, the Comptroller General shall, in consultation with the Inspector General of the Department of Defense, the Secretary of Defense, and the Secretary of Labor, submit to Congress a report which shall include the following:

(1) an analysis and breakdown of the restructuring costs paid by or submitted to the Department of Defense to companies involved in business combinations since 1993;

(2) an analysis of the specific costs associated with workforce reductions;

(3) an analysis of the services provided to the workers affected by business combinations;

(4) an analysis of the effectiveness of the restructuring costs used to assist laid off workers in gaining employment;

(5) in accordance with section 818 of Public Law 103-337, an analysis of the savings reached from the business combination relative to the restructuring costs paid by the Department of Defense.

(c) The report should set forth recommendations to make this program more effective for workers affected by business combinations and more efficient in terms of the use of Federal dollars.

SEC. 8116. Notwithstanding any other provision of law, none of the funds appropriated in this Act may be used to purchase, install, replace, or otherwise repair any lock on a safe or security container which protects information critical to national security or any other classified materials and which has not been certified as passing the security lock specifications contained in regulation FF-L-2740 dated October 12, 1989, and has not passed all testing criteria and procedures established through February 28, 1992: *Provided*, That the Director of Central Intelligence may waive this provision, on a case-by-case basis only, upon certification that the above cited locks are not adequate for the protection of sensitive intelligence information.

SEC. 8117. Section 8110 of Public Law 104-61 (109 Stat. 674) is hereby repealed.

SEC. 8118. The Secretary of Defense, in conjunction with the Secretary of Labor, shall take such steps as required to ensure that those Department of Defense contractors and other entities subject to section 4212(d) of title 38, United States Code are aware of, and in compliance with, the requirements of that section regarding submission of an annual report to the Secretary of Labor concerning employment of certain veterans: *Provided*, That the Secretary of Defense shall ensure that those Department of Defense contractors and other entities subject to section 4212(d) of title 38, United States Code which have contracts with the Department of Defense are notified of the potential penalties associated with

failure to comply with these annual reporting requirements (including potential suspension or debarment from federal contracting): *Provided further*, That within 180 days of enactment of this Act the Secretary of Labor and the Secretary of Defense shall submit a report to Congress which—

(1) using the most recent reporting data, details the number of reports received from Department of Defense contractors and the estimated number of Department of Defense contractors which are not in compliance with these annual reporting requirements;

(2) describes the steps taken by the Departments of Labor and Defense in order to ensure compliance with section 4212(d) of title 38, United States Code;

(3) describes any additional measures taken or planned to be taken by the Departments of Labor and Defense to improve compliance with section 4212(d) of title 38, United States Code pursuant to this section; and

(4) any further recommendations regarding additional action (including changes in existing law) which may be necessary to improve compliance with section 4212(d) of title 38, United States Code.

SEC. 8119. Funds appropriated in title II of this Act for supervision and administration costs for facilities maintenance and repair, minor construction, or design projects may be obligated at the time the reimbursable order is accepted by the performing activity: *Provided*, That for the purpose of this section, supervision and administration costs includes all in-house Government cost.

SEC. 8120. (a) LIMITATION ON ADVANCE BILLING.—During fiscal year 1997, advance billing for services provided or work performed by the Defense Business Operations Fund activities of the Department of the Navy in excess of \$1,000,000,000 is prohibited.

(b) REVISED RATES; ADDITIONAL SURCHARGES.—In conjunction with the Under Secretary of Defense (Comptroller), the Secretary of the Navy shall develop a plan to revise fiscal year 1997 customer rates or establish additional surcharges so as to increase revenues to the Defense Business Operations Fund by at least an additional \$500,000,000 in executing orders accepted during fiscal year 1997.

(c) TRANSFER AUTHORITY.—To the extent necessary to comply with any rate increase or new surcharge on rates in fiscal year 1997 established under subsection (b), the Secretary of the Navy shall transfer at least \$500,000,000, from funds made available under subsection (d), into customer accounts of the Navy used to reimburse the Defense Business Operations Fund so as to provide customers with sufficient resources to pay the increased customer rates and additional surcharges. The transfer authority provided by this subsection is in addition to other transfer authority provided in this Act. The funds transferred shall be merged with and available for the same purposes, and for the same time period, as the appropriation to which transferred.

(d) SOURCE OF FUNDS.—To provide funds for transfer under subsection (c), the amounts appropriated elsewhere in this Act for the following appropriation accounts are reduced by 2.0 percent: Aircraft Procurement, Navy; Weapons Procurement, Navy; Procurement of Ammunition, Navy and Marine Corps; Shipbuilding and Conversion, Navy; Other Procurement, Navy; and Research, Development, Test and Evaluation, Navy. These reductions shall be applied on a pro-rata basis to each line item, program element,

program, project, subproject, and activity within each appropriation account.

SEC. 8121. The Secretary of Defense may waive reimbursement of the cost of conferences, seminars, courses of instruction, or similar educational activities of the Asia-Pacific Center for Security Studies for military officers and civilian officials of foreign nations if the Secretary determines that attendance by such personnel, without reimbursement, is in the national security interest of the United States: *Provided*, That costs for which reimbursement is waived pursuant to this subsection shall be paid from appropriations available for the Asia-Pacific Center.

SEC. 8122. (a) Of the amounts appropriated or otherwise made available by this Act for the Department of the Air Force, \$2,000,000 shall be available only for a facility at Lackland Air Force Base, Texas to provide comprehensive care and rehabilitation services to children with disabilities who are dependents of members of the Armed Forces.

(b) Subject to subsection (c), the Secretary of the Air Force shall grant the funds made available under subsection (a) to the Children's Association for Maximum Potential (CAMP) for use by the association to defray the costs of designing and constructing the facility referred to in subsection (a).

(c)(1) The Secretary may not make a grant of funds under subsection (b) until the Secretary and the association enter into an agreement under which the Secretary leases to the association the facility to be constructed using the funds.

(2) The term of the lease under subsection (c)(1) may not be less than 25 years.

(3) The Secretary may require such additional terms and conditions in connection with the lease as the Secretary considers appropriate to protect the interests of the United States.

SEC. 8123. None of the funds appropriated by this Act may be obligated or expended—

(1) to reduce the number of units of special operations forces of the Army National Guard during fiscal year 1997;

(2) to reduce the authorized strength of any such unit below the strength authorized for the unit as of September 30, 1996; or

(3) to apply any administratively imposed limitation on the assigned strength of any such unit at less than the strength authorized for that unit as of September 30, 1996.

SEC. 8124. (a) The Secretary of the Army shall ensure that solicitations for contracts for unrestricted procurement to be entered into using funds appropriated for the Army by this Act include, where appropriate, specific goals for subcontracts with small businesses, small disadvantaged businesses, and women owned small businesses.

(b) The Secretary shall ensure that any subcontract entered into pursuant to a solicitation referred to in subsection (a) that meets a specific goal referred to in that subsection is credited toward the overall goal of the Army for subcontracts with the businesses referred to in that subsection.

SEC. 8125. (a) The Secretary of the Air Force and the Director of the Office of Personnel Management shall submit a joint report describing in detail the benefits, allowances, services, and any other forms of assistance which may or shall be provided to any civilian employee of the Federal Government or to any private citizen,

or to the family of such an individual, who is injured or killed while traveling on an aircraft owned, leased, chartered, or operated by the Government of the United States.

(b) The report required by subsection (a) above shall be submitted to the congressional defense committees and to the Committee on Governmental Affairs of the Senate and the Committee on Government Reform and Oversight of the House of Representatives not later than December 15, 1996.

SEC. 8126. (a) Not later than March 1, 1997, the Deputy Secretary of Defense shall submit to the congressional defense committees a report on Department of Defense procurements of propellant raw materials.

(b) The report shall include the following:

(1) The projected future requirements of the Department of Defense for propellant raw materials, such as nitrocellulose.

(2) The capacity, ability, and production cost rates of the national technology and industrial base, including Government-owned, contractor-operated facilities, contractor-owned and operated facilities, and Government-owned, Government-operated facilities, for meeting such requirements.

(3) The national security benefits of preserving in the national technology and industrial base contractor-owned and operated facilities for producing propellant raw materials, including nitrocellulose.

(4) The extent to which the cost rates for production of nitrocellulose in Government-owned, contractor-operated facilities is lower because of the relationship of those facilities with the Department of Defense than such rates would be without that relationship.

(5) The advantages and disadvantages of permitting commercial facilities to compete for award of Department of Defense contracts for procurement of propellant raw materials, such as nitrocellulose.

SEC. 8127. Not later than six months after the date of the enactment of this Act, the Secretary of the Air Force shall submit to Congress a cost-benefit analysis of consolidating the ground station infrastructure of the Air Force that supports polar orbiting satellites.

(INCLUDING TRANSFER OF FUNDS)

SEC. 8128. In addition to the amounts appropriated elsewhere in this Act, \$100,000,000 is appropriated for defense against weapons of mass destruction: *Provided*, That the funds appropriated under this section may be transferred to and merged with funds appropriated elsewhere in this Act and that this transfer authority shall be in addition to any other transfer authority provided under this Act: *Provided further*, That of the funds made available by this section, \$10,000,000 shall be transferred to and merged with funds appropriated in this Act for "Procurement, Marine Corps" and shall be available only for the procurement of equipment that enhances the capability of the Chemical-Biological Incident Response Force to respond to incidents of terrorism.

\$100,000,000

SEC. 8129. The Secretary of Defense, in consultation with the Secretary of Health and Human Services and the Director of the Office of Personnel Management, shall submit a report to the congressional defense committees by February 1, 1997 containing recommendations regarding the establishment of a demonstration

program under which covered beneficiaries under chapter 55 of title 10, United States Code, who are entitled to benefits under part A of the medicare program and who do not have access to TRICARE, would be permitted to enroll in a health benefits program offered through the Federal Employee Health Benefits Program under chapter 89 of title 5, United States Code.

(b) The amendments made by subsection (a) shall take effect as of the date of the enactment of the National Defense Authorization Act for Fiscal Year 1997 as if section 203 of such Act had been enacted as so amended.

10 USC 1073
note.

SEC. 8131. (a) Section 722(c) of the National Defense Authorization Act for Fiscal Year 1997 is amended—

(1) by striking out paragraph (2);

(2) by striking out “(1)”; and

(3) by redesignating subparagraphs (A) and (B) as paragraphs (1) and (2), respectively.

10 USC 1073
note.

(b) The amendments made by subsection (a) shall take effect as of the date of the enactment of the National Defense Authorization Act for Fiscal Year 1997 as if section 722 of such Act had been enacted as so amended.

SEC. 8132. The Secretary of Defense shall complete a cost/benefit analysis on the establishment of a National Missile Defense Joint Program Office: *Provided*, That the Secretary of Defense shall submit a report on this analysis to the congressional defense committees no later than March 31, 1997: *Provided further*, That the Department of Defense shall take no action to establish any National Missile Defense Joint Program Office, to reassign service National Missile Defense roles and missions under any National Missile Defense Joint Program Office strategy or to relocate people under such a strategy prior to March 31, 1997.

SEC. 8133. (a) Notwithstanding any other provision of law, the Chief of the National Guard Bureau may permit the use of equipment of the National Guard Distance Learning Project by any person or entity on a space-available, reimbursable basis. The Chief of the National Guard Bureau shall establish the amount of reimbursement for such use on a case-by-case basis.

(b) Amounts collected under subsection (a) shall be credited to funds available for the National Guard Distance Learning Project and be available to defray the costs associated with the use of equipment of the project under that subsection. Such funds shall be available for such purposes without fiscal year limitation.

SEC. 8134. Using funds available by this Act or any other Act, the Secretary of the Air Force, pursuant to a determination under section 2690 of title 10, United States Code, may implement cost-effective agreements for required heating facility modernization in the Kaiserslautern Military Community in the Federal Republic of Germany: *Provided*, That in the City of Kaiserslautern such agreements will include the use of United States anthracite as the base load energy for municipal district heat to the United States Defense installations: *Provided further*, That at Landstuhl Army Regional Medical Center and Ramstein Air Base, furnished heat may be obtained from private, regional or municipal services,
