(b) In this section:

(1) The term “underserved population” means a population of individuals, including urban minorities, who have historically been outside the purview of arts and humanities programs due to factors such as a high incidence of income below the poverty line or to geographic isolation.

SEC. 315. Notwithstanding any other provision of law, for fiscal year 2003 the Secretaries of Agriculture and the Interior are authorized to limit competition for watershed restoration project contracts as part of the “Jobs in the Woods” Program established in Region 10 of the Forest Service to individuals and entities in historically timber-dependent areas in the States of Washington, Oregon, northern California, Idaho, Montana, and Alaska that have been affected by reduced timber harvesting on Federal lands. The Secretaries shall consider the benefits to the local economy in evaluating

bids and designing procurements which create economic opportunities for local contractors.

SEC. 316. Amounts deposited during fiscal year 2002 in the roads and trails fund provided for in the 14th paragraph under the heading "FOREST SERVICE" of the Act of March 4, 1913 (37 Stat. 843; 16 U.S.C. 501), shall be used by the Secretary of Agriculture, without regard to the State in which the amounts were derived, to repair or reconstruct roads, bridges, and trails on National Forest System lands or to carry out and administer projects to improve forest health conditions, which may include the repair or reconstruction of roads, bridges, and trails on National Forest System lands in the wildland-community interface where there is an abnormally high risk of fire. SEC. 318. No timber sale in Region 10 shall be advertised if the indicated rate is deficit when appraised using a residual value approach that assigns domestic Alaska values for western redcedar. Program accomplishments shall be based on volume sold. Should Region 10 sell, in fiscal year 2003, the annual average portion of the decadal allowable sale quantity called for in the current Tongass Land Management Plan in sales which are not deficit when appraised using a residual value approach that assigns domestic Alaska values for western redcedar, all of the western redcedar timber from those sales which is surplus to the needs of domestic processors in Alaska, shall be made available to domestic processors in the contiguous 48 United States at prevailing domestic prices. Should Region 10 sell, in fiscal year 2003, less than the annual average portion of the decadal allowable sale quantity called for in the Tongass Land Management Plan in sales which are not deficit when appraised using a residual value approach that assigns domestic Alaska values for western redcedar, the volume of western redcedar timber available to domestic processors at prevailing domestic prices in the contiguous 48 United States shall be that volume: (i) which is surplus to the needs of domestic processors in Alaska, and (ii) is that percent of the surplus western redcedar volume determined by calculating the ratio of the total timber volume which has been sold on the Tongass to the annual average portion of the decadal allowable sale quantity called for in the current Tongass Land Management Plan. The percentage shall be calculated by Region 10 on a rolling basis as each sale is sold (for purposes of this amendment, a "rolling basis" shall mean that the determination of how much western redcedar is eligible for sale to various markets shall be made at the time each sale is awarded). Western redcedar shall be deemed "surplus to the needs of domestic processors in Alaska" when the

timber sale holder has presented to the Forest Service documentation of the inability to sell western redcedar logs from a given sale to domestic Alaska processors at a price equal to or greater than the log selling value stated in the contract. All additional western redcedar volume not sold to Alaska or contiguous 48 United States domestic processors may be exported to foreign markets at the election of the timber sale holder. All Alaska yellow cedar may be sold at prevailing export prices at the election of the timber sale holder.

(1) displacement of the holder of an authorization to provide commercial recreation services on Federal lands. Prior to initiating any project, the Secretary shall consult with potentially affected holders to determine what impacts the project may have on the holders. Any modifications to the authorization shall be made within the terms and conditions of the authorization and authorities of the impacted agency.

(2) the return of a commercial recreation service to the Secretary for operation when such services have been provided in the past by a private sector provider, except when—

(A) the private sector provider fails to bid on such opportunities;

(B) the private sector provider terminates its relationship with the agency; or

Nothing in this section exempts the Secretary from any other requirement of the Forest and Rangeland Renewable Resources Planning Act (16 U.S.C. 1600 et seq.) or any other law: *Provided*, That if the Secretary is not acting expeditiously and in good faith, within the funding available, to revise a plan for a unit of the National Forest System, this section shall be void with respect to such plan and a court of proper jurisdiction may order completion of the plan on an accelerated basis.

## **TITLE V—NATIONAL FOREST ORGANIZATIONAL CAMP FEE IMPROVEMENT ACT OF 2003**

16 USC 6231  
note.**SEC. 501. SHORT TITLE.**

This title may be cited as the “National Forest Organizational Camp Fee Improvement Act of 2003”.

16 USC 6231.

**SEC. 502. FINDINGS, PURPOSE, AND DEFINITIONS.**

(a) FINDINGS.—Congress finds the following:

(1) Organizational camps, such as those administered by the Boy Scouts, Girl Scouts, and faith-based and community-based organizations, provide a valuable service to young people, individuals with a disability, and their families by promoting physical, mental, and spiritual health through activities conducted in a natural environment.

(2) The 192,000,000 acres of national forests and grasslands of the National Forest System managed for multiple uses by the Forest Service provides an ideal setting for such organizational camps.

(3) The Federal Government should charge land use fees for the occupancy and use of National Forest System lands by such organizational camps that, while based on the fair market value of the land in use, also recognize the benefits provided to society by such organizational camps, do not preclude the ability of such organizational camps from utilizing these lands, and permit capital investment in, and maintenance of, camp facilities by such organizational camps or their sponsoring organizations.

(4) Organizational camps should—

(A) ensure that their facilities meet applicable building and safety codes, including fire and health codes;

(B) have annual inspections as required by local law, including at a minimum inspections for fire and food safety; and

(C) have in place safety plans that address fire and medical emergencies and encounters with wildlife.

(b) PURPOSE.—It is the purpose of this Act to establish a land use fee system that provides for an equitable return to the Federal Government for the occupancy and use of National Forest System lands by organizational camps that serve young people or individuals with a disability.

(c) DEFINITIONS.—In this Act:

(1) The term “organizational camp” means a public or semipublic camp that—

(A) is developed on National Forest System lands by a nonprofit organization or governmental entity;

(B) provides a valuable service to the public by using such lands as a setting to introduce young people or individuals with a disability to activities that they may not otherwise experience and to educate them on natural resource issues; and

(C) does not have as its primary purpose raising revenue through commercial activities.

(2) The term “Secretary” means the Secretary of Agriculture, acting through the Chief of the Forest Service.

(3) The term “individual with a disability” has the meaning given the term in section 7(20) of the Rehabilitation Act of 1973 (29 U.S.C. 705(20)).

(4) The term “children at risk” means children who are raised in poverty or in single-parent homes or are subject to such circumstances as parental drug abuse, homelessness, or child abuse.

(5) The term “change in control” means—

(A) for a corporation, the sale or transfer of a controlling interest in the corporation;

(B) for a partnership or limited liability company, the sale or transfer of a controlling interest in the partnership or limited liability company; and

(C) for an individual, the sale or transfer or an organizational camp subject to this Act to another party.

**SEC. 503. FEES FOR OCCUPANCY AND USE OF NATIONAL FOREST SYSTEM LANDS AND FACILITIES BY ORGANIZATIONAL CAMPS.**

16 USC 6232.

(a) LAND USE FEE.—

(1) PERCENTAGE OF LAND VALUE.—The Secretary shall charge an annual land use fee for each organizational camp for its occupancy and use of National Forest System lands equal to 5 percent of the product of the following:

(A) The total number of acres of National Forest System lands authorized for the organizational camp.

(B) The estimated per-acre market value of land and buildings in the county where the camp is located, as reported in the most recent Census of Agriculture conducted by the National Agricultural Statistics Service.

(2) ANNUAL ADJUSTMENT.—The land use fee determined under paragraph (1) for an organizational camp shall be adjusted annually by the annual compounded rate of change between the two most recent Censuses of Agriculture.

(3) REDUCTION IN FEES.—

(A) TYPE OF PARTICIPANTS.—The Secretary shall reduce the land use fee determined under paragraph (1) proportionate to the number of individuals with a disability and children at risk who annually attend the organizational camp.

(B) TYPE OF PROGRAMS.—After making the reduction required by subparagraph (A), the Secretary shall reduce the remaining land use fee amount by up to 60 percent, proportionate to the number of persons who annually attend the organizational camp who participate in youth

programs through organized and supervised social, citizenship, character-building, or faith-based activities oriented to outdoor-recreation experiences.

(C) RELATION TO MINIMUM FEE.—The reductions made under this paragraph may not reduce the land use fee for an organizational camp below the minimum land use fee required to be charged under paragraph (4).

(D) SPECIAL CONSIDERATIONS.—For purposes of determining the amount of the land use fee reduction required under subparagraph (A) or (B), the Secretary may not take into consideration the existence of sponsorships or scholarships to assist persons in attending the organizational camp.

(4) MINIMUM LAND USE FEE.—The Secretary shall charge a minimum land use fee under paragraph (1) that represents, on average, the Secretary's cost annually to administer an organizational camp special use authorization in the National Forest Region in which the organizational camp is located. Notwithstanding paragraph (3) or subsection (d), the minimum land use fee shall not be subject to a reduction or waiver.

(b) FACILITY USE FEE.—

(1) PERCENTAGE OF FACILITIES VALUE.—If an organizational camp uses a Government-owned facility on National Forest System lands pursuant to section 7 of the Act of April 24, 1950 (commonly known as the Granger-Thye Act; 16 U.S.C. 580d), the Secretary shall charge, in addition to the land use fee imposed under subsection (a), a facility use fee equal to 5 percent of the value of the authorized facilities, as determined by the Secretary.

(2) REDUCTION IN FEES PROHIBITED.—Notwithstanding subsection (d), the facility use fees determined under paragraph (1) shall not be subject to a reduction or waiver.

(c) FEE RELATED TO RECEIPT OF OTHER REVENUES.—If an organizational camp derives revenue from the use of National Forest System lands or authorized facilities described in subsection (b) for purposes other than to introduce young people or individuals with a disability to activities that they may not otherwise experience and to educate them on natural resource issues, the Secretary shall charge, in addition to the land use fee imposed under subsection (a) and the facility use fee imposed under subsection (b), an additional fee equal to 5 percent of that revenue.

(d) WORK-IN-LIEU PROGRAM.—Subject to subsections (a)(4) and (b)(2), section 3 of the Federal Timber Contract Payment Modification Act (16 U.S.C. 539f) shall apply to the use fees imposed under this section.

16 USC 6233.

(b) PHASE-IN OF USE FEE INCREASES.—In issuing any direction regarding implementation of this Act under subsection (a), the Secretary shall consider whether to phase-in any significant

increases in annual land or facility use fees for organizational camps.

**SEC. 505. RELATIONSHIP TO OTHER LAWS.**

16 USC 6234.

Except as specifically provided by this Act, nothing in this Act supersedes or otherwise affects any provision of law, regulation, or policy regarding the issuance or administration of authorizations for organizational camps regarding the occupancy and use of National Forest System lands.

16 USC 6236.

(b) **RULE OF CONSTRUCTION.**—For purposes of subsection (a), the ministerial issuance or amendment of an authorization occurs only when the issuance or amendment of the authorization would not change the physical environment or the activities, facilities, or program of the operations governed by the authorization, and at least one of the following apply:

(1) The authorization is issued upon a change in control of the holder of an existing authorization.

(2) The holder, upon expiration of an authorization, is issued a new authorization.
