

### Planning and Design

The committee recommends that, within authorized amounts for planning and design, the Secretary of the Navy complete planning and design activities for the following project:

- (1) \$945,000—Full Scale Electric Drive Test Facility, Naval Surface Warfare Center Shipyard Systems Engineering Station, Pennsylvania

### LEGISLATIVE PROVISIONS

#### Section 2201—Authorized Navy Construction and Land Acquisition Projects

This section contains the list of authorized Navy construction projects for fiscal year 2007. The authorized amounts are listed on an installation-by-installation basis. The state list contained in this report is intended to be the binding list of the specific projects authorized at each location.

#### Section 2202—Family Housing

This section would authorize new construction and planning and design of family housing units for the Navy for fiscal year 2007.

#### Section 2203—Improvements to Military Family Housing Units

This section would authorize improvements to existing units of family housing for fiscal year 2007. Within amounts authorized by this section, the committee recommends an increase of \$3,700,000 for a project to install air conditioning at housing units at Vista Del Sol, 29 Palms, California.

#### Section 2204—Authorization of Appropriations, Navy

This section would authorize specific appropriations for each line item contained in the Navy's budget for fiscal year 2007. This section would also provide an overall limit on the amount the Navy may spend on military construction projects.

#### Section 2205—Modification of Authority to Carry Out Certain Fiscal Year 2004 and 2005 Projects

This section would amend section 2201(a) of the Military Construction Authorization Act for Fiscal Year 2004 (division B of Public Law 108-136), as amended, and the Military Construction Authorization Act for Fiscal Year 2005 (division B of Public Law 108-375), as amended, to consolidate authority for construction of an outlying landing field.
